About Us

The South Central Athletic Improvement Fund Committee was founded in 2007 to assist the efforts of the South Central athletic department.

The founding principal is allowing 100% of profits to benefit any athletic program in need of equipment above the usual and customary equipment supplied by the athletic department.

Since origination, the SCAIFC has purchased 24 padded chairs to be utilized by multi-sport teams and championship banners in the main gymnasium. Most recently, the SCAIFC worked with Tonn and Blank Construction to provide a new floor to ceiling trophy case in the main hallway of the high school and purchased updated championship banners.

Your contribution is tax deductible.

The South Central Athletic Improvement Fund Committee (SCAIFC) is a 501(c)(3) nonprofit organization.
