ARTICLE 9

Grievance Procedure

9.1

A grievant means a teacher making a claim by filing a grievance, provided that any grievant to be a proper party to a grievance must be an aggrieved party to such grievance. A grievance is defined as a claim that arises between the employer and the South Central Classroom Teachers Association or one or more teachers involving an alleged violation, misinterpretation or misapplication of this contract between the parties provided that notwithstanding any other provisions of this agreement, any determination of the facts of a grievance made by an arbitrator pursuant to this Article and within his jurisdiction, shall be given deference by any court reviewing said determination, but any determination of state or federal law by said arbitrator shall not be given deference or weight by any court reviewing said determinations of law.

9.2

Nothing in this procedure shall affect the normal communications between the principal and the aggrieved in their discussion of problems which may exist. Any problem or potential problem will first be discussed by the aggrieved with the building principal with a view to arriving at a mutually satisfactory solution of the complaint before the filing of a written grievance. (At this verbal discussion, the grievant shall state the nature of the grievance and identify the problem as a grievance subject to this Article, and a representative of the Association who is an employee of the school district shall be present if the aggrieved so requests.)

9.3

In the event the problem is not resolved in the verbal discussion with the building principal, a formal written grievance shall be filed on a form to be furnished by the Employer, (within five (5) teaching days of the date that the grievant knew or reasonably could or should have known,) with copies of the grievance to be sent to the Principal, Superintendent of Schools and to the Association. The written grievance shall set out a section or sections of this agreement allegedly, violated, misapplied or misinterpreted; include the facts constituting the grievance, the relief sought, and shall be dated and signed by the grievant.

9.4

Within five (5) school teaching days after receipt of the written grievance a meeting may take place at a mutually convenient time between the building principal, the aggrieved, and a representative of the Association if such a meeting is deemed by one of the parties as potentially productive in settling the grievance. Within three (3) to five (5) school teaching days after such meeting, or date of filing of the grievance, whichever is applicable, an answer to the grievance shall be given to the grievant in writing, and a copy to be given to the Superintendent and Association.

9.5

If the grievance is not resolved in the steps set out in Section 16.4 above, then, at the request of the Association or grievant but within ten (10) school teaching days after receipt of the principal's answer, the grievant shall file with the Superintendent a step two written grievance setting forth all of the same information as required in a step one grievance as prescribed in paragraph 16.3 of this Article, and a copy be given to the building principal. The Superintendent shall investigate the alleged grievance and may request a hearing of facts by the parties involved. Within five (5) school teaching days after receipt of the grievance, the Superintendent or his representative shall give a written answer to the grievant, association President, and the principal. At any time between the initial filing of a grievance and the issuance of an award by the arbitrator the parties may mutually agree to seek alternate means of dispute resolutions.

9.6

In the event the grievance is not resolved as set forth in Section 16.5 above, the Association may file for arbitration with the Federal Mediation and Conciliation Service (FMCS). The Association shall serve written notice to the Superintendent of its intent to arbitrate by submitting a copy of its request for arbitration panel from the FMCS with ten (10) work days after receiving the step 16.5 answer. The parties specifically agree that the unilateral request by the Association empowers and authorizes the FMCS to provide a panel of arbitrators.

Following submission of a panel of arbitrators to each party by FMCS, a representative of each party shall within five days of receipt of said panel cross off the names of any arbitrators who are unacceptable and number the names of those remaining in order of preference with one being first choice, two being the second choice, and so on down the line. Within seven days of the receipt of the panel from FMCS, the two representatives shall confer either in person or by phone for the purpose of selecting the arbitrator. The selection will proceed as follows: Any arbitrators whose names have been crossed out by either party shall not be appointed. The numerical ratings of the remaining arbitrators shall be added together with the arbitrator having the lowest total numerical rating being the arbitrator who will hear the case unless that arbitrator disqualifies himself/herself. In the event an arbitrator disqualifies himself/herself, the arbitrator with the next lower total

numerical rating will be requested to hear the case. This procedure shall be followed until an arbitrator is found who will hear the case.

9.7

The decision of the arbitrator made within the scope of his jurisdiction shall be binding upon both parties to the grievance. The arbitrator shall have no power to amend, subtract from, add to, alter, disregard or modify, any terms of this Agreement. The arbitrator shall not have authority, nor shall it be considered his function to include, the decision of any issue not submitted or to interpret or apply the Agreement as to change what can fairly be said to have been the intent of the parties as determined by generally accepted rules of contract construction. Past practices of the parties in interpreting or applying terms of this Agreement can be relevant evidence, but may not be used so as to justify, or result in, what is in effect a modification, addition, or detraction of written terms of this agreement. The arbitrator has no obligation or function to render a decision or not to render a decision merely because in his opinion such a decision is unfair or inequitable. If either party shall claim before the arbitrator that a particular grievance fails to meet the test of arbitrability, as the same are set forth in this Grievance Procedure, the arbitrator shall first rule on such a claim, and if sustained, shall not proceed further except as to render the award based on sustaining said claim. Unless expressly agreed to by the parties, in writing, the arbitrator is limited to hearing one issue or grievance upon its merits at any one hearing. Separate hearings shall be constituted for each grievance appealed to arbitration. The jurisdictional authority of the arbitrator is defined as and limited to the determination of any grievance which is controversy between the parties to the grievance, which controversy concerns compliance with any provisions of this agreement and is submitted to the arbitrator pursuant to the provisions of this agreement.

9.8

The fee of the arbitrator, including his expenses, shall be borne equally by both the Employer and the Association. When a hearing is scheduled during the school day the Association President and teacher-witness will be released with pay to participate in the hearing. The parties agree to minimize disruption of the school program due to the release of teacher-witnesses. Except as mentioned above, each party is responsible for the compensation of its own representatives and witnesses.

9.9

When school is not in session during the summer months, the words “school teaching days” shall mean week days excluding Saturday and Sunday.

9.10

The time limits for writing and processing grievances, pursuant to this article, may be extended by mutual agreement in writing by authorized representatives of each party. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limit shall not prohibit the grievance to be appealed to the next step. Any grievance not advanced to the next step within the time limits of that step shall be deemed resolved by the employer’s answer at the previous step. Any grievance arising prior to the effective date or after the termination date of this agreement shall be processed.

9.11

In the event that the Arbitration is scheduled during the time that the school is in session, the Association President or his designee will be released to attend such hearing without loss of compensation.

9.12

9.6-9.8 shall not be used for teachers discipline or dismissal proceedings.

ARTICLE 10

Sole Understanding and Duration of Agreement

10.1

This agreement contains the complete understanding between the parties during the term of this agreement. No agreement, alteration, understanding, variation, waiver or modification of any of the terms, conditions, or covenants contained herein shall be made by certified employees covered by this agreement, either as an individual or individuals, with the Employer and in no case shall it be binding upon the parties hereto unless such agreement is made and executed in writing between the parties hereto and the same has been ratified by both the Board of School Trustees or its designated representatives and by the South Central Classroom Teachers Association.

10.2

Should any Article, Section or Clause of this Contract be declared illegal by a court of competent jurisdiction, said Article, Section, or Clause, as the case may be, shall be automatically deleted from this Contract to the extent that it violates the law, but the remaining Articles, Sections and Clauses shall remain in full force and effect for the duration of the Contract, if not affected by the deleted Article, Section or Clause.
